

WEEKLY SITE SAFETY BRIEFING

PROJECT: L&T Metro Project Alpha

DATE: May 10, 2026

PREPARED BY: Safety Officer Dinesh

INCIDENT REPORTING:

- Zero lost-time injuries reported this week.
- Minor delay on Tuesday (2 hours) due to heavy rainfall preventing crane operations in Sector 2.

COMPLIANCE ISSUES:

- Scaffolding near the Phase 2 excavation site requires additional securing.
- Three subcontractor workers were found operating without high-visibility vests. Verbal warnings issued.

UPCOMING:

Routine equipment maintenance scheduled for all bulldozers next weekend. This will not impact the primary construction timeline.
